Conversion of District Positions to At-Large Positions (PRSA Bylaws, Article VIII, Section 4(c))

If there are no candidates for a District director position by the initial application deadline of **Wednesday, April 30, 2025**, the Nominating Committee has the authority to convert that position to an at-large position for this nomination cycle.

If by the deadline, there is not at least one eligible candidate for each open district director position, that open district director position may be converted to an at-large director position for the current nomination cycle. Eligible applicants who have expressed a willingness to fill alternate positions may be considered for that newly designated at-large director position.

If by the initial application deadline there is an inadequate number of eligible candidates and the reassignment of candidates as envisioned above is not possible, then the application deadline may be extended by the Nominating Committee.

Board Representation

Once elected, board members are charged with serving on behalf of all PRSA members, regardless of geographical location. They are, therefore, expected to act in the overall best interests of members as a whole, rather than advocate views that might reflect the interests of members from their own or any other individual region(s).

As referenced in the Bylaws, Article IV Section 8. Ineligibility. With the exception of the two nonvoting directors, directors are ineligible to serve as District or Chapter officers, Chapter delegates or alternates, Section chair, or as an officer of the College of Fellows, and are ineligible to serve on the Board of Ethics and Professional Standards, the Grievance Committee, or the Universal Accreditation Board. Any director shall automatically relinquish other such positions at the commencement of the term of office on the Board.
